8 Lascadies on Rs: 5—a—.

3. I now have the honor to propose the following establishment for these two Tanks.

Chitt Nagalee:— 1 Manegar on Rs: 15/- + Rs: 7-8—a horse allowance.
7 Lascadies on Rs: 7/- each.

Nasur.— 1 Manegar on Rs: 20/- + Rs: 7—8—a horse allowance.
4. Waffedars at Rs: 7/- each
12. Lascadies at Rs: 5/- each.

4. This proposed establishment would give each Lascary some 7 Miles of channel to look after which he well ought to able to do so.

5. I have proposed a slight increase in Nasur as the demand for water is much greater there and petty disputes often arise which the Lascary is unable to settle himself.

Sir,

With reference to your Docket No. 6388 / R.7.79-94 dated 17th January 1896, calling for a statement of the present and proposed establishment for the conservancy of Channels in the Kadur and Chikmagalur Taluks, I have the honor to submit the required statement in the prescribed form and to state that owing to the large number of channels and their distances apart that I consider the increased establishment very necessary.

2. Owing to the general supervision to be exercised by the Nala Manegars and the distances to be travelled by them, I consider that horse allowance is necessary to them.

3. The Kadur Taluk, where most of the channels exist, I have proposed to divide into four ranges with a Nala Manega to supervise all and a Daffedar over each range with a Sowdie for every seven miles of channel.

4. The ranges to be as follows:-

Re. Chuprassy's asst. Thos

I am also of opinion that the Extra Peons may be allowed as Sowdie as an Extra.

5. As regards the Chaprassies in the Chittagong Jails, I consider that the present Extra Peons may be allowed horse allowance of Rs. 7½ per mensem to enable him to maintain a horse as the distances are too far to travel on foot and that 7 Sowdies are necessary.

6. The present establishment comes to Rs. 36/- per mensem in the Chittagong Jail and to Rs. 82/8 per mensem in Kaliur Point and the proposed establishment comes to 57/8 for Chittagong and Rs. 115/8 for Kaliur, making a total increase of Rs. 55/8 monthly in the two Jails.

7. In addition to the above, I would beg to propose that the Peons and Duffadars be given some sort of uniform and the Sowdies be given a leather waist belt with a brass badge bearing the inscription C.D. Chaprassy Department Sowdie No. ... on it. This I consider very necessary as it is impossible to distinguish them from common Coolies at present.

copy of Kadur District Deputy Commissioner
letter No. 702 dated 7th idem, with its original

for the maintenance of Irrigation Channels in
Chickmagalur and Kadur Taluks - I have the
honor to inform you that I concur in the
advisability of the Deputy Commissioner's pro-
posals, except that I think it quite unnecessary
to attach to the Nala Sumegar, a Lowdie as an orderly.
